NAVAL POSTGRADUATE SCHOOL. SEPTEMBER 2011

Outreach

SNA WEST 2011 **NPS San Diego Exhibits at** **Surface Navy Association**

NPS Distributed Learning Office, San Diego exhibited at SNA West Coast Symposium on August 18, 2011. The Surface Navy Association (SNA) was incorporated in 1985 to promote greater coordination and communication among those in the military, business and academic communities who share a common interest in Naval Surface Warfare and to support the activities of Surface Naval Forces. In an effort to expand the communication and education goals of the Association, an annual symposium and convention was begun in 1988. SNA helps promote recognition of the role of the Navy and Surface Forces in United States security, recognizes and publicizes professional excellence, fosters and preserves the heritage of the United States Navy and provides forums on professional matter affecting the U.S. Navy.

NPS AND NAVY COLLEGE OFFICE:

Navy College Office Naval Base Coronado (NBC) and the Naval Postgraduate School (NPS) have teamed to offer a series of on base classes in Math and Physics. These courses prepare 1800, 3100, and 13XX officers for NPS by helping them improve their Academic Profile Code (APC) score. Classes are scheduled to begin this fall and will take approximately ten months to complete. The following classes will be held on Naval Base Coronado:

MATH 118 - Calc w/ Analytic Geom I 5SH (24 Oct-17 Dec 2011)
 PHYS 205 - Phys Scientist & Eng I 5SH (9 Jan - 1 Mar 2012)
 PHYS 206- Phys Scientist & Eng II 5SH (21 March - 4 May 2012)
 PHYS 300 & 300L - Phys III & Lab 4SH (2 July - 24 Aug 2012)

If you are interested in joining in this dedicated cohort of professionals, please contact CAPT Craig Turley, USN (Ret), NPS POC at (619) 556-3282 or by email at cwturley@nps.edu or the NCO NBC POC at (619)545-6259 or by email at nco.coronado@navy.mil.

RDML William D. Rodriguez, USN (Ret), Director of West Coast Operations, Exhibits at the National Naval Officers Association's (NNOA) Annual Leadership, Professional Development & Training Conference at the Sheraton Hotel.

**** There is no service obligation for those participating in Certificate Programs. ****

OFFERING OVER 40 DISTANCE LEARNING CERTIFICATE & MASTERS DEGREE PROGRAMS

Online applications are currently being accepted for the following programs, that begin the week of January 5th, 2012. Deadlines for Winter Applications vary, but are rapidly approaching!

PROGRAMS STARTING IN WINTER 2011:

MASTERS DEGREE PROGRAMS:

Executive Masters of Business Administration (EMBA): The program design and course work capitalizes on the current managerial and leadership experience of program participants. Specifically, the EMBA goals are to provide participants with: A solid background in management fundamentals, focus on financial management and acquisition knowledge and abilities, analytical and critical thinking skills to make decisions under conditions of extreme uncertainty and it provides opportunities for interaction so that managers can learn from each other.
 Point of Contact: htarabis@nps.edu

Systems Engineering Non-Resident Degree Program: Focuses on the development of complex systems, the understanding of engineering methods and its application to problem solving, understanding of large and f spectrums of systems engineering life cycle and the analyses and integration of systems. Point of Contact: Gene Paulo at eppaulo@nps.edu or Wally Owen at wowen@nps.edu.

Masters of Science in Mechanical Engineering (MSME): Provides students with scientific and technical knowledge of mechanical engineering. This program is geared toward Nuclear Powered trained officers. Point of Contact: Dr. Robert Cobb at (360)315-2803.

Master of Science in Program Management (MSPM): Focuses on leadership problem solving and making decisions with the acquisition environment utilizing case studies, team exercises, and hands-on applications. The curriculum is designed to provide graduates with the knowledge, skills and abilities to manage and lead effectively in the federal government acquisition environment. Point of Contact: Wally Owen at wowen@nps.edu

CERTIFICATE PROGRAMS:

Information Systems and Operations Certificate (ISO): Focuses on the integration of information technologies, command and control processes, and IO methods in the context of Network Centric Warfare. Point of Contact: ISOCertProg@nps.edu

Information Systems Technology Certificate (IST): Includes computer and telecommunications systems, software engineering, networked and distributed applications, database management systems, and decision support systems. Point of Contact: ISTCertProg@nps.edu.

Electric Ships Power Systems (ESPS): Provides a solid engineering foundation in electrical power and electromechanical power conversion at the advance level. Exposes students to a mixture of instruction and computer-based laboratories, while studying the behavior and performance of power systems in a virtual environment. Point of Contact: Fargues@nps.edu

Knowledge Superiority (KS): The knowledge Superiority Track develops and builds upon technical systems understanding in networks, databases, systems analysis, decision support systems, and like subjects, to develop a higher level design capability in students. Point of Contact: Mark Nissen, Ph. D at mnissen@nps.edu.

Masters Programs starting any quarter:

Software Engineering
 Electronic Systems Engineering
 Program Management

Systems Engineering
 Contract Management

Certificate Programs starting any quarter:

Acquisition Management
 Software Engineering
 Modeling & Simulation
 Electronic Warfare (EW) Engineering
 Senior (EW) Engineering

Federal/DOD Identity Management
 Knowledge Superiority
 Scientific Computation
 Journeyman (EW) Engineering

The NPS San Diego Office is located in Building 152 on the wet side of Navy Station San Diego (32nd Street), next to the Navy College Office. Craig Turley, CAPT USN (Ret.) is available for command briefings and individual counseling on resident and distance learning graduate education opportunities. He can be contacted at cwturley@nps.edu. Appointments are available by contacting (619) 556-3289 or SanDiegoFCA@nps.edu
